All,

Paula asked that we meet tomorrow to discuss today's incident, notifications, and next steps. There were concerns raised by PA, COO, ELR, and the Deputy Secretary. David Eagles asked that this also be addressed with the Deputy Secretary at this Friday's briefing on evacuation. The concern was the amount of time it took to make employees and leadership aware of the incident, what was happening, and ensuring safety.

This is the start of weekly meetings to plan for the overall evacuation drill, which Janet has indicated should be held no later than the first week of November.

Agenda:

1. What happened
2. Notifications and process to respond to fire alarm (i.e., who is notified when and how quickly)
3. Next steps and prep to brief Deputy Secretary

To Whom it May Concern:

My name is (b)(6), and I am a senior at (b)(6). I am majoring in biomedical engineering and am a part of the honors program. As an honors student, I chose to take a leadership course that is part of a list of classes I am required to take. One of the projects that we are asked to complete is to conduct an interview on leadership with someone that you admire. The leadership that Dr. Carson displays and has embodied is something that I truly admire.

It is my passion and desire to go to medical school and become a surgeon; and so, being able to get even 30 minutes of insight from Dr. Carson would be invaluable. I am hoping to use this project as a spring board into my life as a medical student and to deepen my passion and love for the medical field.

I have filled out and attached the event request form to this email.

Thank you for your time.

Much Thanks,

(b)(6)

Dear Ben,

It was great chatting with you today. As I mentioned, I'm a HUD colleague (Deputy Assistant Secretary-Chief Management Officer). I'm currently on loan to the Combined Federal Campaign (CFC) on behalf of HUD and Secretary Carson, this year's CFC Honorary Chairperson, to help ensure the Campaign's success, about which the Secretary is very passionate. You can reach me at either this CFC email address or my HUD email address (cc'd above). My HUD mobile phone is 202-255-4730 and my CFC office phone is 202-465-7235.

Thanks so much for agreeing to collaborate with CFC and me to coordinate the Secretary's schedule with individual government agency CFC Campaign events!

Attached are 1) the September 26 CFC Leadership Conference announcement; 2) a list of all the key dates across the entire CFC fundraising campaign, including a list of scheduled "Causes of the Week;" and 3) a copy of the letter inviting the Secretary to be the CFC Honorary Chairperson.

Thanks for the list of good dates in October and for offering to reserve other dates for us. We will definitely focus agencies on the week of October 9th for kick-off events (especially the 10th and 13th), as well as October 26th for other follow-on events. We'll

let you know as soon as we get confirmed requests for the Secretary's appearance. For planning purposes, a drop-in appearance (10 to 20 or 30 minutes) and short remarks (5 to 10 minutes) at individual events would be adequate. Of course, agencies would welcome whatever time they can get, but the most important thing is to get the Secretary in front of as many agencies as possible. To that end, we are encouraging joint events to make the best use of his limited time.

One additional special request is for the Secretary to stop by the CFC offices (17th & H, NW) briefly to meet and greet the HQ Campaign team when he is planning to be in the neighborhood - for White House or OMB meetings, for example. It would be a huge boost to the team. Just let me know if you think that might be possible when he is in town in early October and I'll coordinate everything with you.

As for agency-specific Campaign kick-offs, so far, I can tell you that there are dates and times already planned by some of the larger agencies as follows. If there is any chance that the Secretary can make an appearance and speak at any of these it would be fabulous. Just let me know his specific time availability and I will put you in touch with the specific agency Campaign Manager and CFC Loaned Executive for the agency.

- * September 27 - HHS/NIH at NIH main campus in Bethesda, 11:00 am - 1:00 pm
- * October 3, 2017 - USPS-HQ, 470 L'Enfant Plaza, SW time TBD
- * October 5, 2017 - DOT, 1200 New Jersey Ave SE, 10:00 am - 2:00 pm
- * November 2 - Commerce HQ, 1401 Constitution Ave, NW, 10:00 am - 12:00 pm
- * November 6 - NSF, 2415 Eisenhower Ave., Alexandria, VA, time TBD

As for other important dates for us, they are as follows:

- * September 25, 2017 - CFC Leadership Conference (9:00 am -10:00 am)
- * November 2, 2017 - Show Some Love Day to showcase charitable causes (The Campaign theme is "Show some Love")
- * November 28, 2017 - Giving Tuesday
- * December 5, 2017 - International Giving Day

Finally, we understand that the Secretary is interested in possibly participating in a CFC volunteer activity. If you could let me know of particular causes or charities that he cares most about, we can identify some scheduled CFC volunteer events for his consideration.

Many thanks for your help Ben! I very much look forward to collaborating with you and to meeting you at next week's HUD Town Hall or before.

Best regards,
Nancy

The Management Development Program (MDP) facilitates HUD's succession planning efforts by preparing the Office of Housing employees for assumption of future leadership opportunities through a cadre of core and technical training in various areas of skill. Successful completion of the program will provide for a management candidate pool of individuals to serve in leadership positions throughout the Office of Housing.

We would be thrilled if Dr. Carson could come down for a couple of minutes to say congratulations to the 25 participants who were selected to the program, many of whom are field employees and don't get this experience often.

We will be in auditorium C for the rest of the week.

As you know, Family Promise of St. Tammany Parish is an interfaith group of churches and organizations that strive to lead homeless children and their families from homeless to self sufficient. We achieve this through our case management and referrals to outside agencies and organizations. Upon graduation from the program, the families are surrounded by an extensive support and resource network to ensure they maintain permanent and stable housing. Since the doors opened in May 2015 Family Promise St. Tammany Parish has provided services to 32 families. The families are comprised of 129 people with 79 of those being children. Over 7,000 nights of shelter, 21,000 meals and countless miles of local transportation have been provided. Family Promise is proud to say of the families assisted, over 80% are still stably housed in permanent and sustainable housing.

Subject: RE: Encouragement for Today
Greetings Ben,

One of the strong impressions I have felt recently is that our church must do a better job in supporting those in high profile positions whose public life is under microscopic scrutiny daily. I can be available on any of the following dates that may fit your schedule to meet in Washington. August 28,29 or 30, September 11,12 or October 18,19 could work for me. Just let me know and I will look forward to meeting and praying together. I appreciate the sacred trust God has given you and am confident that you are in a place of unusual opportunity to make a difference for Christ's kingdom.

May your week be filled with heaven's blessings,

Mark

Allie will dial in the conference line.

Topics: The Hollander Ridge project, a part of the Thompson Settlement Agreement ("TSA"), will result in approximately 90 units of new, deeply affordable family housing in areas of opportunity throughout the city. For this project to move forward we need to begin site acquisition by August 15.

* HABC, HUD and the City are all defendants in the litigation and have been working on amendments to the TSA necessary to make this work.

* It is absolutely imperative that we receive HUD approval (likely they just need to complete their process) for the development proposal, the amendment to the TSA and the pre development budget by August 15 at the very latest. If that doesn't happen we will not be able to meet a critical deadline set in the amendment to the TSA (to acquire 10 units by year end).

- * If we don't meet this deadline HABC will be required to pay 7.1 million dollars to the Thompson plaintiffs over the next several years and perhaps more importantly we risk the loss of \$18.8 million in HOPE VI funds awarded to Baltimore in 1996.

Topic: my book has an underlying Christian theme. I'm telling the stories of American heroes who incurred tragedy but overcame through faith in God -- a mother who lost her son and husband to terrorism,

a wife who lost her husband on a VA waitlist and many others. Though their ultimate hope is in their faith, they turned out to support the powerful grassroots movement fueled by President Trump and allies like Secretary Carson.

I would just want to talk briefly with the Secretary about the role his faith played during the campaign and hear about some of the men and women he met along the way.

Subject: Request from Secretary Price

Hey Sheila- Hope you are doing well. I am forwarding a letter that was sent last month from my boss to Secretary Carson relating to a commission on serious mental illness which was established under the 21st Century Cures Act passed late last year. Cures requires the HUD's participation. The Secretary's letter requests HUD to designate the official that will participate in Commission meetings. We anticipate that the first meeting of the Commission will take place in August. Secretary Price would greatly appreciate Secretary Carson's participation in at least the inaugural kickoff meeting. Let me know if you need any additional

information. You can send the Secretary's response directly to Mary Sumpter whom I have copied on this email.

Secretary Kelly, as the principal federal official for domestic incident management, invites your Department or Agency head to participate in a Federal Emergency Management Agency (FEMA) led Hurricane Season Preparedness seminar and exercise. The exercise will be held on June 12, 2017 from 2:00pm to 3:30pm at FEMA's National Response Coordination Center (NRCC) in Washington, DC. A

formal invitation and exercise package with the necessary logistics and prep materials will follow in the next few days. The full list of invited agencies and entities is provided at the bottom of this email.

Your Department has responsibilities under Federal response doctrine and articulated further in the National Response Framework (NRF) during a declared disaster or other major emergency. It is important that you understand your Department's roles and we hope that your principal can participate. DHS and FEMA have designed the seminar as a no fault, learning experience presented in a "table top exercise" format.

Background: Your Department or Agency is designated as an NRF Emergency Support Function (ESF) Coordinator, Primary, or Support Agency. ESFs are the functions needed to provide Federal support for disasters and emergencies and designate the following member roles:

- ESG Coordinating Agency - responsible for managing a particular ESF.
- ESF Primary Agency - providing significant authorities, roles, resources or capabilities for a particular function within an ESF.
- ESF Support Agency - providing specific capabilities or resources that support the primary agency in executing an ESF.

Please note that an agency may be a Coordinator, Primary Agency, or Supporting Agency for more than one ESF.

Seminar Logistics:

- RSVP: Please RSVP to Chad Gorman, Director of the FEMA National Exercise Division at (202) 646-4683 or via email at nep@fema.dhs.gov <<mailto:nep@fema.dhs.gov>> by May 26, 2017.
- Location: National Response Coordination Center, FEMA Headquarters, 500 C St., SW, Washington, DC 20472
- Date and Time: June 12, 2017, 2:00 PM to 3:30PM.

If you have any questions, please don't hesitate to contact me.

Thank you,

Kirstjen Nielsen

We are hopeful that the Secretary could address the group for a few minutes if possible.

Please let me know if you need anything else.

SOHUD will drop by

"Former Congressman Bob Livingston would like to request an appointment with Secretary Carson. Bob would like to bring Al Faber, President and CEO of the Baldrige Foundation, and Molly Baldrige, daughter of former Commerce Secretary Malcolm Baldrige, by to see Secretary Carson as soon as his schedule will allow. They won't need more than 15 minutes of his time.

The Baldrige Program, an office within the National Institute of Standards and Technology (NIST) has been successful since its inception in 1987. Since Fiscal Year 2012, the private Baldrige Foundation has paid salaries and expenses for employees and program operations at NIST from its own foundation assets.

Baldrige drives growth in business and manufacturing resulting in more jobs, sets standards to improve cost and quality of healthcare in the US, and is driving improvements in efficiency and student performance in our schools and higher education. Additionally, the Baldrige Program is working with the private sector to develop the Baldrige Cybersecurity Excellence Framework. This framework will build on the world-class NIST Cybersecurity Framework to develop a program that will identify and share best practices to strengthen America's cybersecurity infrastructure. This initiative also has the support of cybersecurity industry leaders from across the country. In order to ensure the continuation of the Baldrige Performance Excellence Program, the program needs FY 2018 federal funding restored in the federal budget. It is a small funding request with enormous impact across the nation, and in every sector of the economy. It will also provide funding for the much needed Baldrige Cybersecurity Excellence Framework and Community of Excellence initiative."

National Low Income Housing Coalition (NLIHC)

Focus of Coalition: housing for those with the lowest income
(extremely low-income)

Membership: comprised of public housing residents, some housing
authorities, advocacy groups, state housing coalitions, etc.

Event: Annual Housing Policy Forum

Location: Washington Court Hotel

Date & time: Monday, April 3, Secretary Carson is expected to speak
at noon

Audience: 300+ public housing residents, housing advocates, PHA
staff, etc

SOHUD expected to give remarks for 15-20 minutes and likely get a
couple of questions from Diane Yentel (reviewed before-hand)

Background:

- * Diane Yentel (see more below) is the President & CEO and was quite helpful toward Secretary Carson going through confirmation
- * NLIHC and its members are upset about the HUD 2018 budget; find the cuts "unconscionable"
- * They are eager to find out how the Secretary's positive statements during confirmation square with deep budget cuts proposed by Admin
- * One of their top priorities each year is Section 3 (I recommend Secretary Carson reference the program but not stake out any specific policy commitments)
- * They are staunch supporters of the National Housing Trust Fund (here is a PDF primer on what this program is: http://nlihc.org/sites/default/files/NHTF_FAQ.pdf)
